- \* Comment. The information agrees in general with other indications to the effect that the troops in the Soviet Zone of Germany would move to troop training grounds for summer training at unit level in April 1951. It is probable that the components of the Fourth Gds Mezz Army will again use the Templin training area, as they did in the summer of 1950.

25X1

25X1

on 10 February 1951, the troops of the 25th Tank Div in the Oranienburg castle and the chemical factory were scheduled to move to Templin about the end of April 1951.
